## ***Mayor Fulop Announces India Square Gateway Arches Design Project***

JERSEY CITY – **Mayor Steven M. Fulop** announced today that the City is soliciting designs for **gateway arches** at both ends of Newark Avenue in the India Square.

The arches will be located at Newark Avenue and Kennedy Boulevard and at Newark Avenue and Tonnelle Avenue.

“We are in the process of transforming India Square into an iconic centerpiece of Jersey City, as well as a tourist destination,” said **Mayor Fulop**. “We are asking members of the community to submit design ideas to help us in that process, as we work to make our architecture reflect the great diversity of our city.”

Other improvements to India Square include upgrades to the sidewalk and street pavement and the installation of decorative light posts with cultural banners.

Submissions will be accepted until October 31, 2013. Designs should include an artistic shape, colorful ornamentation, a reflection of Indian culture, and resemble a work of art the community will be proud to showcase.

Entries and questions should be sent to: **[IndiaSquareArchDesigns@gmail.com](mailto:IndiaSquareArchDesigns@gmail.com)**.

**All media inquiries should be directed to Jennifer Morrill, Press Secretary for the City of Jersey City, at 201-547-4836 or 201-376-0699.////**
